

SCHEDULE OF FEES

Contact the Van Buren County Drain Commissioner's office for the current fee schedule
Preliminary Submittal:

Preliminary plat and land divisions:	\$10.00 per lot or, \$200.00 minimum fee
Other development:	\$200.00
Resubmittal Fee:	\$100.00
Deposit for engineering review and inspection:	\$500.00

The above fees shall be payable at the time preliminary plat or site plan submittal is made to the Van Buren County Drain Commissioner for administration and review.

Inspection:

Inspection Fee:	\$150.00
-----------------	-----------------

The inspection fee shall be payable at the time construction contract information is provided to the Drain Commissioner before commencing construction.

Permit:

- Permit Fee (permit to occupy easement or to cross a county drain with utilities, roads, drives, etc.)	\$100.00
--	-----------------

If a violation occurs, which results in the permit being revoked, a new permit must be obtained and a new fee paid.

\$100.00

Total charges incurred by the Drain Commissioner's office for engineering services deemed necessary to perform reviews and inspections shall be charged in addition to the above submittal fees. Engineering services will be based on current hourly billing rates for actual time and reimbursable expenses.

Charges are to be paid by the proprietor within 15 days of invoice by the Drain Commissioner. Failure to make timely payment constitutes a violation, and approval will be rescinded, or permit will be revoked and deposit forfeited. Deposit will be returned to proprietor of good standing upon receipt of construction record drawings (as-builds).

Any recording fees incurred due to registering a document are the responsibility of the proprietor.
