Lawrence B. Hummel, P.E., County Highway Engineer-Manager
Gregory M. Pardike, Board Secretary-Accountant

**WORK TO BEGIN MONDAY ON BLUE STAR HIGHWAY IN SOUTH HAVEN TOWNSHIP,
AND AT CR378 at 66TH STREET (WOOD SCHOOL) IN BANGOR TOWNSHIP**

The County Road Commission Wants You to Know . . .

The Van Buren County Road Commission is preparing to begin repair work on Blue Star Highway between south of Wells Street and CR388 in South Haven Township, and on CR378 at 66th Street (Wood School) in Bangor Township. Engineer-Manager, Lawrence Hummel, states that crews will work to stabilize pavement and repair two culverts on Blue Star Highway, and one culvert on CR378. Work is being coordinated with Uretex USA using a high density polyurethane system to densify soils surrounding the culverts and seal cracks.

Both Blue Star Highway and CR378 will remain open to traffic during the length of this project. Lane closures, however, can be expected. All lanes will be open to traffic when work crews are not on site. The work is expected to begin on Monday, December 5, 2011 on Blue Star Highway. Target completion of work on Blue Star is one week, with crews moving to CR378 in Bangor Township during the week of December 12th.

Any questions regarding the repair work should be directed to Barry Anttila, Highway Engineer, at 269-674-8011, or via email at vbrcanttila@comcast.net.
