   Insurance is required for certain permitted activities to assure that any action brought as a result of the permittee’s activities in the public road right-of-way will be defended by and paid for by permittee’s insurance carrier and will not result in action or settlement against the Board.

   In addition, for certain permits the following language must appear in the “Additional Insured” area of the Insurance Certificate, without any changes or deviations from this specific language:

   “The Board of County Commissioners of Van Buren County, The Board of County Road Commissioners of Van Buren County (a/k/a the Van Buren County Road Commission) and their officers and employees for claims arising out of, under, or by reason of operations covered by the permit issued to the permittee, as their interests may appear.”

   The Board of County Road Commissioners of Van Buren County reserves the right to condition a moving permit application for any hauling activity on the furnishing of a performance bond.

   For good cause shown, these requirements may be waived at the discretion of the Engineer-Manager of the Road Commission, or his or her designee.
