If a defendant enters a plea of guilty or nolo contendere, or if the court determines after a hearing or trial that the defendant is guilty, pursuant to MCL 769.1k(b)(iii) the Van Buren County Circuit Court, at the time of sentencing, may impose \$700 in costs to the defendant as reasonably related to the actual costs incurred by the trial court.

These costs are in addition to any other fine or cost authorized and in addition to reimbursement for court appointed attorney fees. These costs were determined by taking the Thirty-Sixth Circuit Court's average actual costs times the percent of workload for the Thirty-Sixth Circuit Court's Criminal Division divided by the average number of criminal cases disposed. Questions regarding information about any fine, cost, or assessment imposed under MCL 769.1k(1) should be directed to the Circuit Court Administrator. MCL 769.1k(7).
